CURRENT PROJECTS

- In a talk titled "Real Estate Bankarization: A Growth Booster", Dr. Riad Obegi will present the CHO Project in a common conference with the Peruvian Economist Hernando de Soto at the ESA Campus on May 22, 2017. At the conference entitled "Growing the Economy through Formalization, Integration and Real Estate Bankarization", Mr. de Soto will discuss the keys for transforming a divided and semi-legal society into a thriving market economy powered by a consensus on property and sovereign rights.
- Plan to start a focus group to work on an action plan to push the project forward.
