

## CHO ON THE RUN

### ADVANCING THE CHO PROJECT

Providing information about the CHO Project on an on-going basis to officials, opinion leaders, economic and financial experts, offering it, in its two versions, as a solution capable of restoring confidence in the Lebanese banking sector and stimulating GDP growth.

Various discussions were held highlighting the advantages of the CHO Project for struggling or even prosperous economies, given how it can boost the contribution of real estate wealth on the economic activity. The potential of introducing it in Spain, Algeria and Finland was also explored.
